NOTICE OF ELECTION.

Palestine, Texas, Aug. 3, 1910. To the Property Tax-Payers of Palestine:

We have this day passed an ordinance calling on the property tax-payers to vote on two propositions, one to issue \$17,000 in bonds to pay for and improve two public parks in the city of Palestine, one of about 22 acres to be purchased out of what is known as the Michaux Grove, to cost \$12,000, the other in the northern part of the city, bounded on the south by Cherokee street, on the west by Conrad street, on the east by Queen street, and on the north of Alkire's Line, containing about 20 acres, for \$3,000; also \$2,000 to improve the parks (one thousand dollars each). And a second proposition to ask the property tax-payers to vote on a bond issue of \$9,000 to buy fire fighting equipment. At the present time we have but very little fire fighting equipment, and will have to purchase some as soon as possible, if we hope to reduce or even maintain our present insurance rates.

We desire to advise you that the issuance of these bonds will not in any way increase your present tax rate or cause you to pay any more taxes than you will pay if they are not issued. They will be taken care of in the 25c bond levy for public improvements that is fixed by law and cannot be increased, but is always levied to care for bonds. We now have room in this fund to take care of these bonds without increasing the tax rate.

Respectfully,
A. L. Bowers, Mayor.
G. H. Turner.
J. H. Grant.
